MAKEUP & HAIR CONSULTATION

We recommend all brides have a consultation a month or more before the wedding if possible. If you are having a destination wedding we can book when you arrive. In the consultation, we create a customized look designed to enhance your natural beauty. Lipsticks and lashes will fly as we come up with just the right color palette for you. With your headpiece in hand, we will experiment with several hairstyles in order to create the perfect look for you. When the look is complete, it is not uncommon for our brides-to-be to shed tears of joy. Photos will be taken throughout the process. We suggest that our brides bring pictures and magazines with looks they admire so we can work as a team. We also offer advice on pre-wedding eyebrow tweezing, facials, manicures and pedicures as well organizing/ordering lip colors, etc. for your wedding touch-up purse.

During the consultation we will discuss the time frame for each person getting makeup and hair and set up a schedule so things will flow smoothly on the big day. Afterwards, plan to socialize with friends and family or attend your rehearsal dinner, because you will look gorgeous.

THE BIG DAY

We arrive early ready to make your big day special. We try to arrange the schedule to ensure the makeup will be at it's freshest right before the pictures and the big walk down the aisle—after all, these are memories that will last a lifetime.

BRIDAL SUITE

Start your wedding day off right with styling, mimosas and your most important friends and family by your side. Step into a stunning intimate space perfect for the Bride and her bridal party to relax and be pampered on the big day. The bride and her entourage will have their hair and makeup done, slip into their beautiful dresses and spend this amazing day together with champagne, hors devours and music.
